Thrilled to Share My HackWithInfy 2024 Journey! 🌟

I am incredibly excited to announce that I had the honor of participating in the prestigious HackWithInfy 2024 Grand Finale Hackathon, organized by Infosys! Being selected among the top 100 participants from over 300,000 applicants has been a truly humbling and rewarding experience.

The journey to the Grand Finale was filled with intense coding challenges and invaluable learning opportunities. Here's a quick recap of the rounds that led us to this achievement:

Round 1: HackWithInfy Coding Contest

Our adventure kicked off with a challenging coding contest, where we tackled a set of problems designed to test our skills and creativity. This phase pushed us to think outside the box and refine our problem-solving abilities.

Round 2: Interview Round

Having cleared the initial contest, we moved on to the interview round. This stage was a great test of our technical knowledge and critical thinking, preparing us for the next big challenge!

Round 3: HackWithInfy Grand Finale

Reaching the Grand Finale at Infosys Pune DC was a dream come true! It was an incredible experience to collaborate with some of the brightest minds from across the country. The 40-hour hackathon tested our endurance, creativity, and teamwork.

I am deeply grateful to my mentor, Shiv Shankar Choudhury, for his unwavering support and guidance throughout this journey. His insights were instrumental in navigating the challenges of the hackathon and I also want to express my sincere thanks to my amazing teammates for their dedication, hard work, and collaborative spirit.

Gratitude to the Infosys Team and Organizers 🙏

A huge thank you to Infosys and the organizing team, especially Shaan Vats, @Rajeev Aman, Anshi Garg, and Nabha Belsare, for creating such a fantastic platform that brings together talent, innovation, and community. I'm also grateful for the opportunity to connect with industry leaders like Rafee Tarafdar and many others, whose insights were truly enlightening.

This journey has been a wonderful learning experience, and I'm excited about what lies ahead! Thank you to everyone who has supported and believed in me along the way.
